- A crash course in Indian culture. This exciting and non-stop activity camp will include the following
- Yoga – Animal poses, sun salutations and storytelling make this session fun while teaching kids basics of yoga and pranayam. It's a great start to every day of camp.
- Indian Crafts – Exploring crafts like Kathputli making, Tie and Dye, Warli, Rangoli, Batik and Diya making.
- Literature – Explore the vast world of Indian children's literature including Classics like Malgudi days and stories from Panchatantra and Jataka.
- Indian Music – We learn the basics of Indian Classical Music- The sargam, and laya and taal

For children entering Kindergarten through 6th grade in the fall of 2017.

Mad Science: Red Hot Robots!

Kids will explore the basic and complex technology used to design and build robots. Discover how machines and robots work and how they make our lives easier. They will learn about simple machines, gear structure, battery wiring, motor principles, and electronic circuits as well as experiment with different forms of locomotion – including wheels, legs, and “tracks”. They will build their very own robot and other projects, including a catapult, a “mega pincher” lever project, and an electric circuit.

Summer Camp

Culinary Camp

After the phenomenal success of last year's culinary camp we are back with even more excitement, nutrition and recipes. This camp will focus on good nutrition and fun recipes that are kid approved and mom approved! Children will learn basic cooking methods, having cook-off challenges and learn skills and nutrition facts that will kick-start a life-long love for good food and creativity.

For children entering K grade through 6th grade in the fall of 2017.

Dance

We will explore dance styles from different countries like rock n roll from USA, salsa from Latin America, Bollywood from India and K-pop from Korea.

Kid learn about the country, origins of the dance and we also do a short choreography for each dance style. On the last day, we put all styles together and make a music video!
