July 30- Aug 3	Culinary
Aug 6-10	Dance
Aug 13-17	Magic
Aug 20-24	Cultural Immersion
Aug 27-31	Entrepreneurship

## Entrepreneurship

The way we work has changed and no matter what careers kids ultimately pursue, they will have to learn to constantly adapt and innovate in order to succeed. Just like entrepreneurs do. Entrepreneurship isn't just about starting companies; it is a skillset and a way of thinking. It involves identifying needs, brainstorming creative solutions, innovating, and taking calculated risks. In short, it's about having a vision and making it a reality.

In this camp kids will learn about brainstorming for a business idea, goal setting, developing a simple business plan, operating the business, creating a marketing strategy, repaying loans and calculating gross and net profit. We will end the week with a vendor day where all young entrepreneurs will get an opportunity to advertise and sell their products or service to parents and other guests.

*For children entering Kindergarten through 7th grade in the fall of 2018.*

## Cultural Immersion

- A crash course in Indian culture. This exciting and non-stop activity camp will include the following
- Yoga – Animal poses, sun salutations and storytelling make this session fun while teaching kids basics of yoga, meditation and pranayam. This year we will include an introduction to Ayurveda and Vedanta too.

# Summer Camp

- Indian Crafts – Exploring crafts like Kundan work, Kathputli making, Tie and Dye, Warli, Rangoli, Batik and Diya making.
  - Literature – Explore the vast world of Indian children’s literature including Classics like Malgudi days and stories from Ramayana, Mahabharata, Panchatantra and Jataka.
  - Indian Music – We learn the basics of Indian Classical Music- The sargam, laya and taal.
  - Indian folk dance- we will learn dandiya, garba and ghoomar this year
- For children entering Kindergarten through 7th grade in the fall of 2018.***

## Mad Science: NASA: Academy of Future Space Explorers\_

Prepare to travel to the stars and beyond in this exciting program! Fasten your seat belts as we take a journey into outer space! We will explore the cosmos, from stars, to planets to asteroids and comets; you will truly be ready to blast off after every class! This program was designed in an exclusive partnership with NASA, and is not offered by any other enrichment organization other than Mad Science. Its purpose is to send your Child's minds soaring up into the sky, and through the galaxy and stars within our Milky Way! Over the course of this amazing and exciting program, they will create star boxes, cosmic chronometers, comets, and even a Rocket that they will take home with them! They will also take part in amazing rocket launch that will let their minds travel among the stars! Don't be left behind on earth, by missing out on this fantastic program! Once the countdown begins, we can only Blast Off!!

***For children entering Kindergarten through 7th grade in the fall of 2018.***

## Culinary Camp

One of our most popular camps, this weel we focus on good nutrition and fun recipes that are kid approved and mom approved! Children will learn basic cooking methods, having cook-off challenges, reality show style chopped and bake-off, thus learning skills and nutrition facts that will kick-start a life-long love for good food and creativity.

## Dance

We will explore dance styles from different countries like hip-hop and line dancing from USA, flamenco from Latin America, Bollywood from India and stepdances from Ireland. Kids learn about the country, origins of the dance and we also do a short choreography for each dance style. On the last day, we put all styles together and make a music video!

*For children entering Kindergarten through 7th grade in the fall of 2018.*

## 2-week Theatre camp- Production TBA

Our theater campers will be staging an exciting Broadway style production under the Direction of Maleesa Lamatina, an experienced and very fun director! Campers will also be making props, stage sets and costumes to give them an insight into how an entire production works. At the end of the two weeks will be the show!

*For children entering Kindergarten through 7th grade in the fall of 2018*

## It's Magic!

- Children will learn beginner magic tricks, all of which can be performed with the help of items found around the house, like string, a ring, dice, coins and marbles.
- Each day will feature a different aspect of the world of Magic- Science and magic, illusions, slight of hand etc.
- Kids will also learn balloon modeling.
- At the end of the week, we will put up a grand magic show!!

*For children entering Kindergarten through 7th grade in the fall of 2018*

## Field Trips

We have weekly field trips every Friday. The location is based on the theme of the week- e.g. for Mad science we go to the Science Museum, culinary week-to a farm etc.

Transport to and from field trips is via School bus.

If your child chooses not attend the field trip, care is provided at the studio for the duration of the trip.
